

Hawaiian Islands Air Cargo Resource Book 1999-2000

The *Hawaiian Islands Air Cargo Resource Book 1999-2000* is a business tool for those wishing to improve their business by being more informed about air cargo services and exporting. The various sections range from best practices for preparing your product for shipping to finding a service provider that meets your needs to lists of other resources. This book is an infrastructure-building tool that will help new and established entrepreneurs quickly gather information as they try to be more efficient and to reduce business uncertainty.

80 pages, soft cover.
